

Surface Sheen

CITRUS BASED SOLVENT CLEANER

Fresh & Clean Surface Sheen is a special blend of highly concentrated cleaning agents, using natural citrus-skin solvents, as a base for spot cleaning a multitude of surfaces and soiling types. Surface Sheen is particularly good on oil marks, rubber heel marks, graffiti and sticky-label residue removal and stainless steel finishing and polishing.

Surface Sheen is flammable, and should therefore be treated carefully, used preferably with a solvent-resistant spray head. Always test Surface Sheen in an inconspicuous area first to ensure compatibility.

Main Features & Benefits:

- Highly concentrated for economic cost-per-wash
- High-strength but safer to use than many high-evaporative solvent cleaners
- Citrus-Skin solvent based. Biodegradable and environmentally friendly.

DIRECTIONS:

Use undiluted. Spray directly on via a spray head. Wipe with a clean cloth or paper towel. Leave for several minutes before wiping, for heavy soiling. Always test in a small areas first to establish compatibility.
