

PRODUCT INFORMATION SHEET

Fabri-San

ANTIBAC NAPPY FABRIC ENHANCER

Fresh & Clean Fabri-San cleans and sanitises clothes, nappies and other fabrics. It hygienically removes stains and odours and gives clothes extra brightness. It is not suitable for use on woolens or silk. It should not be used with metal items.

Fabri-San contains an oxygen bleach which is safe on dye fast coloured material. Always check washing instructions on garment before proceeding.

Directions:

As a pre-soak use Fabri-San at a ratio of 40-80gms per 10 litres of warm water. Allow bed linen to soak for 3-4 hours before washing. Nappies can be soaked in a similar solution for 3 hours then rinsed in water and dried in direct sunlight.

As we have no control over the correct use or conditions under which this product is used or the method of application, no warranty, expressed or implied is made as to the effectiveness of, or damage arising from the use or mis-use of this product.
