

Hand-Safe

NON-FRAGRANCED ANTI-BAC FLOWING HAND SOAP

Fresh & Clean Hand-Safe Flowing Hand Soap is a non-fragranced flowing hand soap—particularly suitable for bulk fill dispenses in food service, clean hands.

Hand-Safe also contains quality skin conditioning properties, and antimicrobial agents for enhanced and responsible hand hygiene.

Main Features & Benefits:

- NZFSA Approved
- Contains anti-microbial agents for enhanced hand hygiene
- Non-fragranced formula for use in food service and food process establishments
- White pearlescent colour for easy identification
- Nationally accepted formulation
- Kind to hands, but tough on dirt

DIRECTIONS:

Apply onto the hands directly from the dispenser. Lather well and rinse off. Repeat if required. Research shows the best anti-bacterial action results from hands being lathered and rinsed for at least 20 seconds.

Wet hands should be properly dried to prevent cross-contamination.
