

# Powerwash

## CLEANING POWDER CONCENTRATE

**Fresh & Clean Powerwash** is a highly concentrated alkaline powder designed to be used in wall mounted powder dispensers for auto-dishwash and commercial equipment cleaning applications. **Powerwash** gives excellent cleaning results at a competitive price compared to liquid systems. Removes all soiling and rinses freely.

### Main Features & Benefits:

- Highly concentrated for economic cost-per-wash
- Pack size provides a safer weight to comparative liquid alternatives
- Antibacterial agents for enhanced bacterial control for equipment and machinery

### DIRECTIONS:

**Powerwash** should be installed in a powder bowl unit by an authorized Fresh & Clean Representative.

**Powerwash** may also be used as a heavy duty CIP cleaner or for specialized manual cleaning applications.
