

Sani-Hands

EVAPORATING HAND SANITISER

Fresh & Clean Sani-Hands is a powerful hand sanitiser that evaporates to leave hands dry and sanitised without the use of a towel or air dryer. It contains moisturisers to keep hands soft and prevents drying and cracking.

Sani-Hands can be used after hands have been washed or between washes on a regular basis to maintain sanitized conditions.

Main Features & Benefits:

- Alcohol-based for rapid evaporation and bacterial action
- Additional sanitisers for enhanced bacterial control
- Concentrated for economic cost in use
- Contains natural moisturisers to keep hands supple and soft
- NZFSA Approved C54

DIRECTIONS:

Dispense 2-5mls directly onto hands neat and rub hands together to give an even coverage. **Sani-Hands** will evaporate off leaving hands sanitized and moisturized.
